

Syllabus for academic year: 2020/2021														
Description of the course														
Module/Course		Subject of Clinical Teaching –					Group of detailed education results							
			d	ermat	ology a	and ve	nereolo	ogy		oup de	C ir	iroup n linical nterver	Non-	
											5	cience		
Faculty			Medic	ne										
Major			medici	ne										
Unit realizing the subject	ct		Dept. of Dermatology, Venerology and Allergology											
Specialties			not ap	plicabl	e									
Level of studies			Unifor	m mag	ister s	tudies	Х*							
			1 <sup>st</sup> deg	ree stı	udies 🗆	]								
			2 <sup>nd</sup> degree studies 🗆											
			3 <sup>rd</sup> degree studies □											
			postgraduate studies 🗆											
Form of studies			X full-	time	🗌 par	rt-time								
Year of studies								Seme	ester		Winter Summe			
Type of course			X oblig	atory										
			🗆 limit	ed cho	oice									
			🗆 free	choice	e / elec	tive								
Course			X major 🗆 basic											
Language of instruction			□ Polish X English □ other											
* mark 🗆 with an X														
Number of hours           Form of education														
					Form	of edu	cation		T					
	Lectures (L)	Seminars (SE)	Auditorium classes (AC)	Major Classes – not clinical (MC)	Clinical Classes (CC)	Laboratory Classes (LC)	Classes in Simulated Conditions (CSC)	Practical Classes with Patient (PCP)	Specialist Classes – magister studies (SCM)	Foreign language Course (FLC)	Physical Education obligatory (PE)	Vocational Practice (VP)	Self-Study (Student's own work)	E-learning (EL)
Winter Semester														
Direct (contact) education														

Appendix to Resolution No. 2186 of Senate of Wroclaw Medical University of 1 July 2020

Appendix to Resolution No. 2186 of Senate of Wroclaw Medical University of 1 July 2020

SCM – specialist classes (magister studies); CSC – classes in simulated conditions; FLC – foreign language course; PCP practical classes with patient; PE – physical education (obligatory); VP – vocational practice; SS – self-study, EL – E-learning .

Please mark on scale 1-5 how the above effects place your classes in the following categories: communication of knowledge, skills or forming attitudes:

Knowledge: 5

Skills: 5

Social competences: 5

#### Student's amount of work (balance of ECTS points)

Student's workload	Student Workload (h)
(class participation, activity, preparation, etc.)	
1. Contact hours:	180
2. Online learning hours (e-learning):	
3. Student's own work (self-study):	90
Total student's workload	270
ECTS points for module/course	12
Comments	

**Content of classes** (please enter topic words of specific classes divided into their didactic form and remember how it is translated to intended educational effects)

Lectures

## 1. Selected dermatological problems-psychodermatology.

2. Selected dermatological problems - itch.

Seminars

N/A

## Practical classes

- 1. Diagnosis of skin diseases. Semiotics. Clinical examination methods.
- 2. Viral skin infections. Fungal skin infections. Lichen planus. Pityriasis rosea Gibert.
- 3. Bacterial skin infections. Parasitic infestations.
- 4. Psoriasis. Other papulo-desquamative dermatoses.
- 5. Eczema. Inflammatory skin diseases.
- 6. Connective tissue diseases.
- 7. Bullous diseases.
- 8. Erythema. Vasculitis. Drug Reactions.
- 9. Disorders of keratinization. Other genodermatoses.

10. Skin tumors.

- 11. Photodermatoses. Disorders of pigmentation.
- 12. Diseases of venous and lymphatic vessels. Sebaceous and sweat glands disorders.
- 13. Sexually transmitted diseases.

14. Elements of dermatosurgery. Summary and revision. Credits.

Other

**Basic literature** (list according to importance, no more than 3 items)

1. Richard Weller John Hunter : Clinical Dermatology.; Blackwell Publishing

Additional literature and other materials (no more than 3 items)

# N/A

Didactic resources requirements (e.g. laboratory, multimedia projector, other...) N/A

**Preliminary conditions** (minimum requirements to be met by the student before starting the module/course)

N/A

**Conditions to receive credit for the course** (specify the form and conditions of receiving credit for classes included in the module/course, admission terms to final theoretical or practical examination, its form and requirements to be med by the student to pass it and criteria for specific grades) Active presence on classes and verification of practical skills

Grade:	<b>Criteria</b> (only for courses/modules ending with an examination)			
Very Good	proficiently uses the knowledge and skills significantly exceeding standard			
(5.0)	course syllabus, gives interesting solutions of problems considering			
	patients' care, identifies himself with general and professional ethics rules			
Good Plus	confidently uses the knowledge and skills exceeding standard course			
(4.5)	syllabus, solves professional problems in new situations by himself,			
	identifies himself with general and professional ethics rules			
Good	has knowledge and skills sufficient to solve professional problems in typical			
(4.0)	situations, obeys general and professional ethics rules			
Satisfactory Plus	has knowledge and skills not exceeding minimal requirements of course			
(3.5)	syllabus, solves the problems of medium difficulty level, accepts general			
	and professional ethics rules			
Satisfactory	has not got the knowledge and skills not exceeding minimal requirements of			
(3.0)	course syllabus, solves typical professional problems of low difficulty level,			
	accepts general and professional ethics rules but does not do activities on			
	his own initiative			
	Criteria (only for courses/modules ending with e credit)			
Credit	Does not apply to the Faculty of Medicine
